

College Intern Business Management

Requisition ID 102275544

Location(s): United States-Maryland-Baltimore

Business Sector: Electronic Systems

US Citizenship Required for this Position: Yes

Relocation Assistance: Relocation assistance will be available

Description:

Internships are a key strategy in the Electronic Systems (ES) sector college recruiting program. The purpose of the ES Summer Intern Program is to identify and hire students for summer and part-time jobs early in their academic careers, with the potential of their receiving full-time job offers during their final year of school. Many of ES' several dozen locations around the United States will utilize interns with accounting, finance and business backgrounds for the summer of 2011 under the general umbrella category of "Business Management." Our locations screen and match candidates for internships on a site-by-site basis, depending on availability. In general, Business Management intern candidates must: 1) Be enrolled in an accredited bachelor's degree (or higher level) college/university program in a Business Administration, Finance, Accounting, Economics, Paralegal Studies or International Business major; 2) Have completed at least their sophomore year; 3) Have at least a 3.0/4.0 overall GPA; and 4) Be available to work for 10 weeks during the summer 2011 semester; 5) Be able to obtain a U.S. Government security clearance (U.S. citizenship is a pre-requisite; a current clearance is helpful, but not required). Typical Business Management summer internship opportunities could involve tasks related to: accounting, contracts & administration, procurement, material program planning, rates & budgets, financial planning, cost estimating, pricing, international finance, international trade management, program finance, scheduling, earned value management and business development. Please indicate if you have a geographic preference – some relocation maybe possible.

There is a firm APPLICATION DEADLINE of January 1, 2011 for internship openings for the summer of 2011.

Basic Qualifications:

In general, business management intern candidates must: 1) Be enrolled in an accredited bachelor's degree (or higher level) college/university program in a Business Administration, Finance, Accounting, Economics, Paralegal Studies or International Business major; 2) Have completed at least their sophomore year; 3) Have at least a 3.0/4.0 overall GPA; and 4) Be available to work for 10 weeks during the summer 2011 semester; 5) Be able to obtain a U.S. Government security clearance (U.S. citizenship is a pre-requisite; a current clearance is helpful, but not required).
