For a list of suitable electives within each of the indicated concentrations, please refer to the [Business Department Website](#).

Foreign students who plan to major in International Business **and** those students who would like to use Chinese as their foreign language should consult with the Director of the International Business Program. This should be completed during their freshman year to discuss specific course requirements for this program.

** Requirements for the modern language component include a modern language minimum rating of Intermediate High/1+ on the ACTFL scale for French, German, or Spanish. Those pursuing the Japanese language must achieve the designated level of the Japanese Foundation Proficiency Test. **These exams must be completed prior to graduation.**
