**Scooter boards
&
Wagon**

Who the project benefits

- S. June Smith Center supports children with developmental needs
- Our scooter-boards and wagon will help the children and teachers at the S. June Smith Center

Project

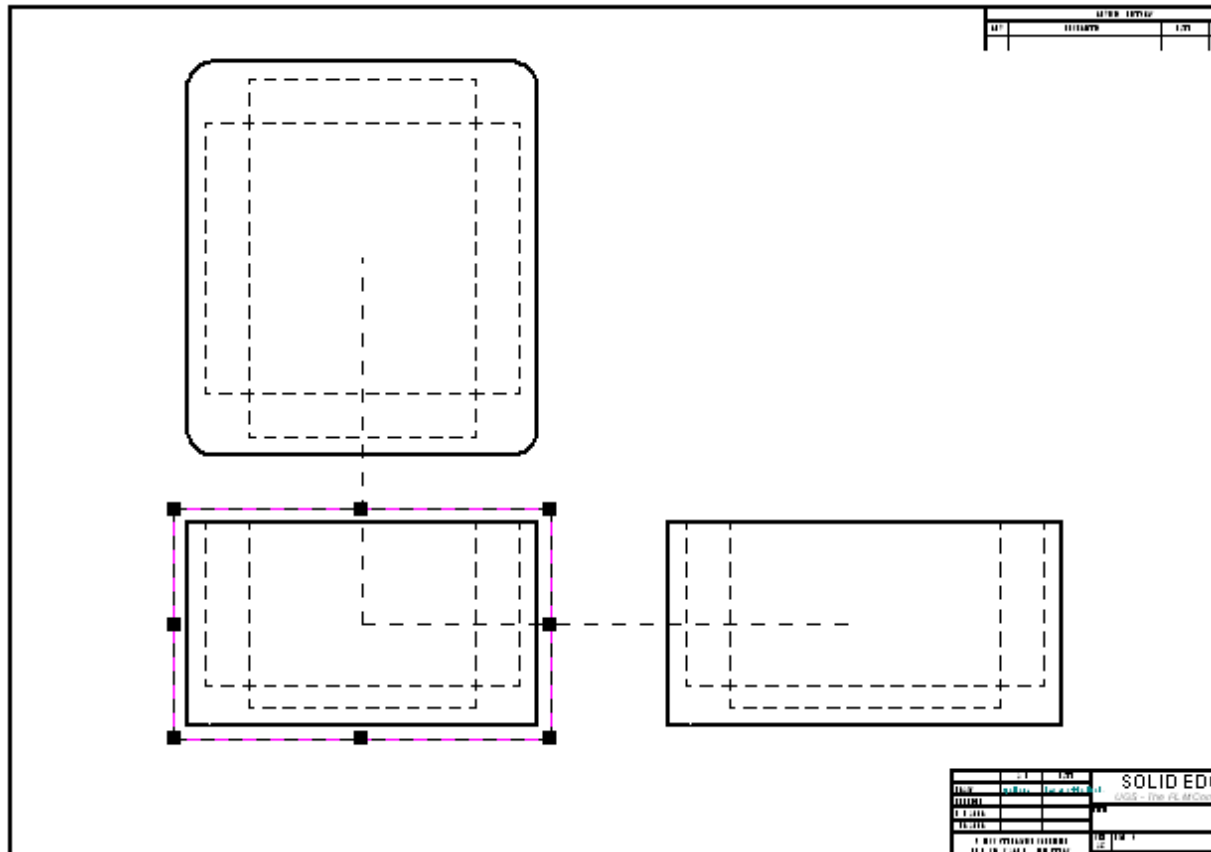

- Late Start- could not get a hold of customer
- Contact through e-mail and text messaging
- Met once a week on Sunday in Library

Design

- Started basic designing at team meeting
- Changes designs during construction

Design Continued...

Wagon
